

**TOWN OF LANARK RESIDENTS
CHANGES IN REFUSE/RECYCLING COLLECTION FOR 2019!**

The Town of Lanark is switching to Harter's for its refuse and recycling collection as of January 1, 2019.

Continue using your current Advanced Disposal cart through the end of December 2018. Advanced Disposal will collect their carts soon thereafter so keep them close to the road (and empty!) where they can be accessed easily. These carts belong to Advanced Disposal and they will charge \$75 for carts they cannot collect!

Harter's will distribute **new refuse AND recycling carts** in mid-to-late December. Do not use the Harter's carts until after January 1, 2019. **Harter's will collect refuse AND recycling every week!** An updated recycling guide will be included in your tax bill.

Collection days and routes will change as of January 1, 2019. A Monday or Tuesday holiday will delay service by one day.

MONDAYS: South side of entire length of Highway 54
All addresses south of Highway 54 and East of (but not including) County Road A

TUESDAYS: All addresses north of Highway 54, including those on the north side of Highway 54
All addresses South of Highway 54 and west of (and including) County Road A (except Damrau and Spring Lake Roads)

WEDNESDAYS: Damrau Road

FRIDAYS: Spring Lake Road

Harter's will pick up large items on alternate Thursdays (appliances, mattresses, furniture, tires, etc.). Call 1-888-804-8556 for details.

A collection map is on the web site (<https://www.townoflanark.org>) and will be posted at the Town Hall – check it out when you stop in to pay your taxes!
